

# Investing for Success

## Under this agreement for 2017 Caboolture East State School will receive

**\$431 962\***

### This funding will be used to

- Achieve the National Minimum Standard for Literacy and Numeracy for all students who are in the low to medium quadrant of the Year Level Differentiation Plans.
- Increase NAPLAN Upper 2 Bands in 2017 Year 3 Reading to 20% and Numeracy to 15%.
- Increase NAPLAN Upper 2 Bands in 2017 Year 5 Reading 27% and Numeracy to 18%.
- Increase the percentage of Prep students achieving a 'sound' or above for English from 49% to 52%.
- Build capability and school wide consistency in practice in Reading, utilising the expertise of a school based Pedagogy Coach.

### Our initiatives include

- Continue implementation of differentiation strategies for students below NMS.
- Implement a whole school reading and oral language/phonological awareness action plan.
- Implement Early Years Oral Language and early intervention programs in prep to year 2 classrooms.
- Increase HR resources to support Oral Language and Early Years Intervention Programs.
- Continue the implementation of the Upper 2 Bands Impact Projects in Reading, Writing and Numeracy.
- Provide extensive professional development of teaching staff through the establishment of Professional Learning Communities, coaching, peer observations and feedback.

### Our school will improve student outcomes by

- |  |            |
|--|------------|
| • Additional Speech Language Pathology and Guidance Officer for an extra 1 day/week  | \$ 30 000  |
